

Architectural Review Board Report

July 14, 2015

ARB Activity 5/13/15 – 7/13/15

ARB Application Received

- ◆ 1426 Woodstream Enclose lanai on east side of home; exterior to match existing lap siding; change sliders to French doors – Approved

ARB Violation Issues

- ◆ No new violation issues this month.

Community ARB Standards/Guidelines

ARB members have completed the first draft of the Architectural Standards and Guidelines for Cross Creek. Members are currently re-reviewing the document. The next meeting will probably be scheduled in August.

The revised Cross Creek documents/ARB sections also need to be reviewed against the proposed standards to make sure there aren't any conflicts. This will also be completed before the planned August meeting.
